

# Concurrent/Dual Enrollment Course Expectations

2010-11 School Year

- GPA Requirements: Seniors – 3.5/5.0 (or administration approval)  
Juniors – 4.5/5.0
- **Costs:** Parent/Guardian/Student is responsible for all costs incurred with SVCC course(s). This includes, but is not limited to tuition, fees, & textbooks.
- The grade earned in the Dual Enrollment class is the grade that is recorded on the student's PCHS transcript and is figured into his or her PCHS GPA and class rank. The grade is also part of Sauk Valley Community College's transcript for the student's future use.
- An earned grade of "C" or better is required to continue within the Dual Enrollment Program at PCHS.
- The grade assigned by Sauk Valley Community College is the grade that the student will receive. PCHS will not intervene in the grading process.
- The student is expected to use class time for the sole purpose of working on the material for the SVCC course. It should not be used as a study hall for other PCHS courses.
- The class(es) taken through SVCC is a college level class. The expectations for PCHS students will be the same as for those students who attend SVCC on a full-time basis.
- Students will be supervised by a PCHS staff member and may or may not be assigned during a block with other PCHS students taking a SVCC class.
- Please note that this class is strictly online. Professor/Student interaction may strictly be through e-mail/computer use only. It is the STUDENT'S responsibility to maintain communication with the instructor/SVCC.
- The calendars for SVCC and PCHS are different. Students may need to begin and/or finish SVCC coursework prior to the PCHS semester.
- It is the STUDENT'S responsibility to purchase textbooks prior to each semester. Contact the SVCC Bookstore for information.
- SVCC reserves the right to withdraw any student per SVCC Policy.
